### **BRANSON IS COMING TO TOWN**

What do you get when you bring together a mandolin, banjo, guitar, upright slap bass, rhinestone costumes, hilarious comedy and great classic country, bluegrass, rockabilly and gospel music? Only one answer to that...Branson On The Road®!

Branson On The Road® has over 20 years of experience of performing at the top theatres in Branson on the famous 76 Country Music Boulevard (known as "The Strip"), and is the first national touring show named for the famous city. The show delivers the Branson traditions of good, clean, family fun wherever they go...and they go all over the US and beyond!

Ross Summers, President of the Branson/Lakes Area Chamber of Commerce said, "We are proud to have Branson On The Road® as a traveling ambassador for Branson. We encourage you to attend or bring a group to a wonderful Branson On The Road® concert in your area".

Branson On The Road® is the kind of show most people thought was long gone in this day of overproduced music, overused special effects and performers singing to tracks. Branson On The Road® keeps you tapping, laughing and smiling from opening note to closing curtain.

Those seeing a Branson On The Road® show can not only expect great music, but a salute to our veterans, and plenty of hilarious comedy every step of the way.

"We come from the live music capital of the world, Branson, Missouri", said Debbie Horton, owner and producer of Branson On The Road®, "and realized that there are many people who will never have a chance to visit Branson personally so we decided to bring our Branson stage show directly to them".

Branson On The Road® is the best way to experience a Branson show right in your hometown. You can forget all about your troubles and have good time – laughter is the best medicine.
